

8 Amazing Sites For Interview Preparation

Interviewbit

<https://www.interviewbit.com/practice/>

The screenshot displays the InterviewBit website interface. At the top, the navigation bar includes the InterviewBit logo, 'Scaler Academy' (marked as 'New'), 'Practice' (the active tab), 'Contests', and 'Community'. A search bar on the right prompts 'Search for problems, Q'. The main content area is titled 'Pick a Track' and features six teal-colored cards: 'Programming' (with a calculator icon), 'Fast Track Courses' (marked 'New' with a lightning bolt icon), 'System Design' (with a puzzle icon), 'Scripting' (with a code editor icon), 'Databases' (with a database cylinder icon), and 'Mock Interviews' (with a group of people icon). On the right, the 'REFERRALS' sidebar shows a progress bar for 'Profile Completeness (3%)' and a vertical list of steps: 'Upload Resume' (with an 'Upload Resume' button), 'Wait for matching opportunities' (with a description: 'Sit back and relax while we work on finding the best opportunities for you'), 'Choose Companies' (with a description: 'Show interest in the companies of your interest'), and 'Schedule Interviews'. A black arrow points to the 'Choose Companies' step. The footer contains two links: 'Got suggestions? We would love to hear your feedback.' and 'Loved InterviewBit? Write us a testimonial.'

3GeeksforGeeks

<https://www.geeksforgeeks.org/>

The screenshot shows the GeeksforGeeks website homepage. At the top, there is a navigation bar with a search box labeled "Google Custom Search" and a magnifying glass icon. Below the search bar is a green navigation menu with links: "GG", "Algo", "DS", "Languages", "Interview", "Students", "GATE", "CS Subjects", and "Quizzes".

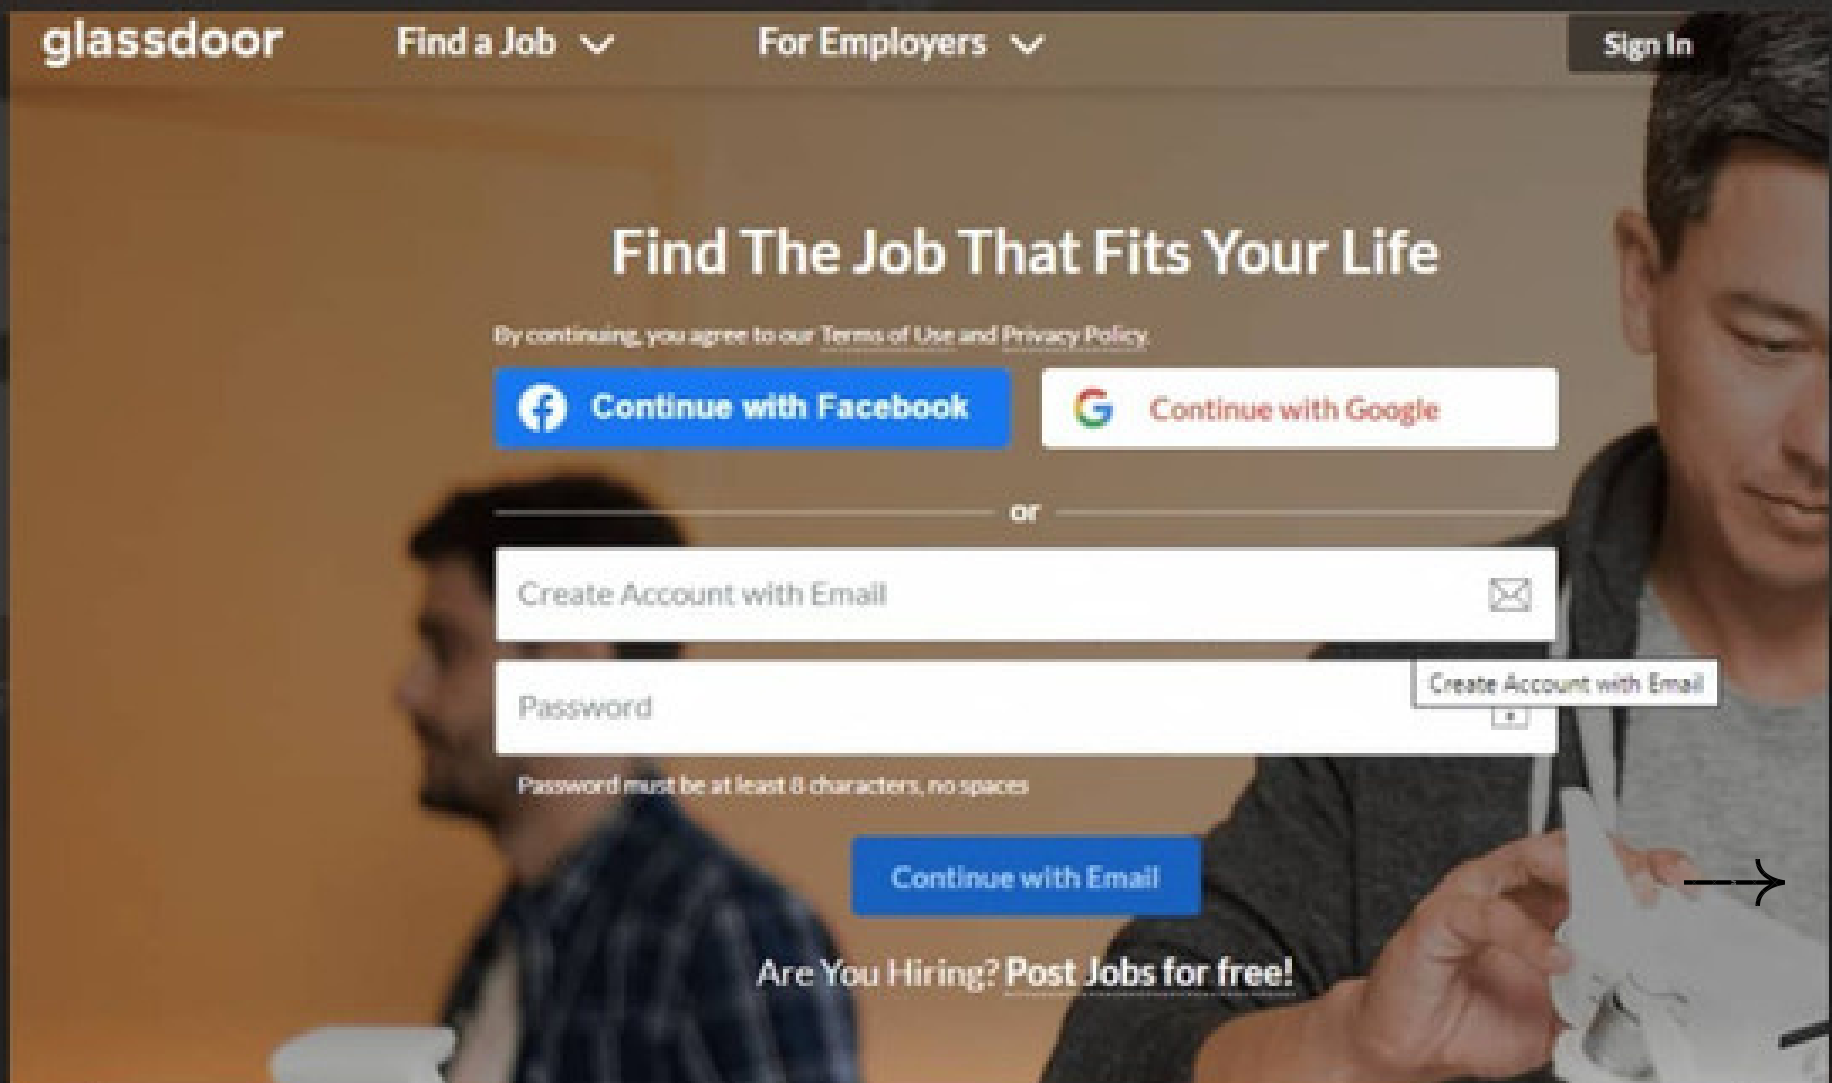

On the left side, there is a sidebar with a list of links: "Courses @ GeeksforGeeks", "Internships @ GeeksforGeeks", "Coding Practice", "How to write an Interview Experience?", "Must Do Coding Questions Company-wise", "Must Do Coding Questions Topic-wise", "Basic", and "Easy".

The main content area features two "Featured Article" sections. The first article is titled "Learn with GeeksforGeeks Course – Best Courses To Land Job In Your Dream Company". It includes a paragraph: "Please refer GeeksforGeeks Courses for the latest list of courses. Do you want to learn more about Data Structures and Algorithms to help in your... Read More »" and a rating of "3.4" in a yellow box. Below the text are three green buttons: "Gflog", "Career-AdVICES", and "placement preparation".

The second article is titled "Must Do Coding Questions for Companies like Amazon, Microsoft, Adobe, ...". It includes a paragraph: "As the placement season is back so are we to help you ace the interview. We have selected some most commonly asked and must do... Read More »" and a rating of "3.4" in a yellow box with an arrow pointing to it. Below the text are three green buttons: "Articles", "interview-preparation", and "placement preparation".

4+ Glassdoor

<https://www.glassdoor.co.in/index.htm>

The screenshot shows the Glassdoor India homepage. At the top, there is a navigation bar with the Glassdoor logo, links for 'Find a Job' and 'For Employers', and a 'Sign In' button. The main heading is 'Find The Job That Fits Your Life'. Below this, a disclaimer states 'By continuing, you agree to our Terms of Use and Privacy Policy.' There are two large buttons for social login: 'Continue with Facebook' and 'Continue with Google'. Below these, the text 'or' is centered. The 'Create Account with Email' section includes an email input field, a password input field, and a 'Continue with Email' button. A note specifies 'Password must be at least 8 characters, no spaces'. At the bottom, there is a link to 'Post Jobs for free!' for employers. An arrow points to the right side of the page.

8 CareerCup

<https://www.careercup.com/>

[Questions](#) [Forum](#) [Salaries](#) [Resume Tips](#) [RSS](#) [Sign in](#)

Want to ace the interview? We can help.

Books and Videos

Our books and videos are created by CareerCup's founder, who has worked for Google, Microsoft, and Apple. They'll give you the help you need to ace the interview.

Real Interviews

All our interview questions are added by real candidates, so you can be sure you're looking at the real questions that companies are likely to ask.

Mock Interviews

CareerCup also offers mock interviews, resume review, and (upon request) career coaching. All of these are done by actual engineering interviewers for the top companies.
